1) The School is the oldest private institution in Bangalore City imparting education to the young children of Chamarajpet It was started in 1907 and from its inception was getting a grant of Rs 35/- per month till 1-7-1940, when the grant was reduced to Rs 20/- per mensem

2) The School is being held, from its inception in the Krishna Rajamandiram Hall, situated in Sri Rameswara Temple and a monthly rent of Rs 12/- is paid for the same The present strength of the School is 107 including the Nursery section containing 18 students It is a mixed School The present Hall is hardly sufficient to hold all the classes Hence a new building is very urgently needed

3) The School cannot afford to go in for any site, as its financial condition is very poor It has to its credit only Rs 850/- as Fixed Deposit The monthly establishment charge comes to nearly Rs 100/- which is met with by the fees collected every month Sometimes we have to draw the monies from reserve especially during vacations, when nothing is collected towards fees

4) It is prayed that the old grant may be restored and a suitable site be given free of cost to the Committee for building up a school

5) The Committee have in view the following places where the School may be given a site

(a) The site in Hardinge Road, between Sanskrit College and Children's play ground

(b) The place where the car stand of Sri Rameswara Temple is situated

(c) Any other place which the Government M may be pleased to grant

6) The Committee will ever remain thankful to your generosity if during your Dewanship, a suitable situation is secured for the
